

SUPER Star Service Award

The 1995 the Indiana School Nutrition Association House of Delegates approved a Resolution establishing a prestigious service award for ISNA members. This provides an opportunity for you to nominate someone that goes the extra mile for children, school food service or our association. The winner will be determined by the ISNA Executive Board Regional Representatives.

This award is based on nominations from others for a single unit, multi unit or retired member. The award recognizes outstanding service to child nutrition programs or association involvement and will be given to the person that goes the "Extra Mile" for students. This person is one that goes above and beyond job responsibilities, and promotes school food service, ISNA and SNA. This award is designed to recognize those who love what they do and do it well.

The award will be presented at the Awards Banquet in May where the winner will receive a plaque and \$150.00 as recognition. This award will be ongoing and all previous winners will be listed each year in the fall issue of "Food for Thought".

Application deadline is April 1, 2018. If you know someone who deserves this recognition please complete the following application and mail or email to:
